

Announcing the Third Annual

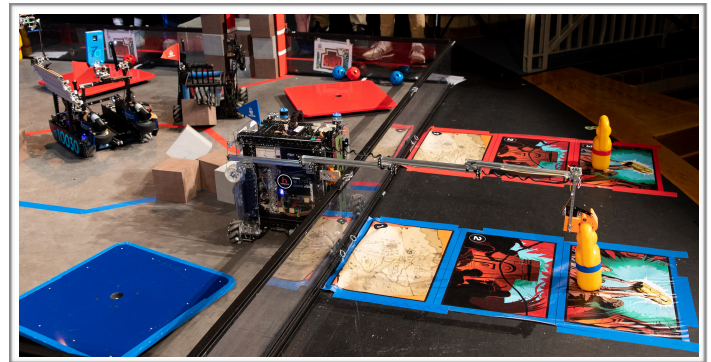

[Team applications](#) are now open for the largest, most competitive, international off-season FTC tournament in the world, the Maryland Tech Invitational!

When: June 28-30, 2019

Where: [Johns Hopkins Applied Physics Laboratory](#) in Laurel, MD.

Teams have smashed the FTC World Record at the 1st and 2nd Maryland Tech Invitationals. Will it happen at the third? Come be part of the excitement and compete for cash grants for your team!

Applications will close on March 23, 2019. Spots will be earned through achievements on the playing field during the Rover Ruckus season.

The MTI - It is About the Robots. See [Maryland Tech Invitational](#) for more details.
